The 2010 class will be formally inducted at ASCE's 140th Annual Civil Engineering Conference in Las Vegas, Nevada, October 21 - 23, 2010.

There are now 601 individuals who have been elected to this honor. ASCE invites you to nominate deserving candidates—individuals who have achieved “firsts” in their field or are known worldwide for their outstanding work—for the 2011 Class of Distinguished Members. For step-by-step instructions on how to develop a nomination and for downloadable forms, please visit www.asce.org/awards or contact awards@asce.org. The 2011 nomination deadline is October 1, 2010.
