

Glass in Energy Web Course: Accessing Archived Videos

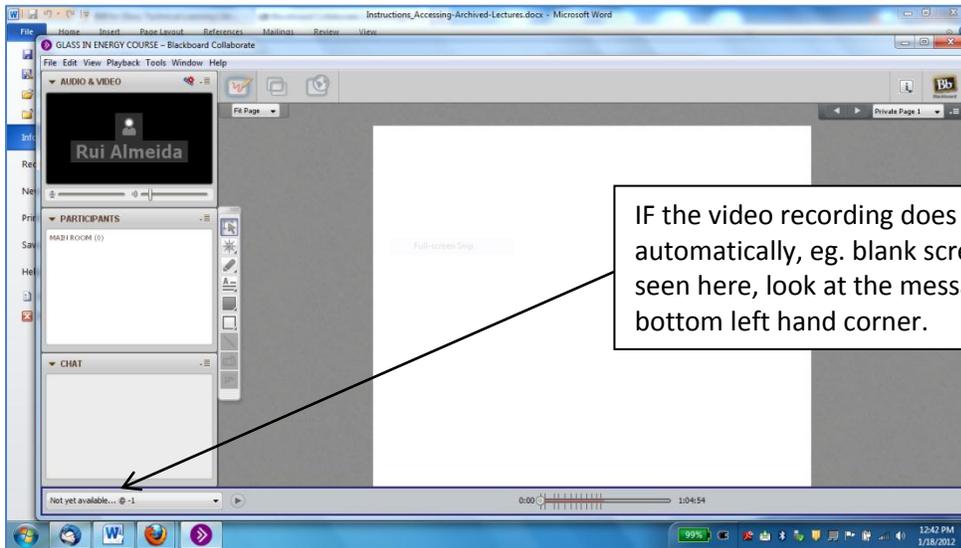

Click **OK**

After clicking the video recording link provided, you will go through a similar process to accessing blackboard collaborate for the live lectures but without any session Login.

Click **Run**

IF the video recording does not set up automatically, eg. blank screen as seen here, look at the message in bottom left hand corner.

If this message states "Not yet available"

Click on **Playback** (top of screen on left)
this opens pull down menu
Click on **Player**
this opens another pull down menu
Click on **Play**
