All students receiving initial certification by the Pennsylvania Department of Education must have had 6 credits of undergraduate college level math and 3 credits of English composition and 3 credits of English/American literature (or equivalents). Students credentials are examined at admission and those who do not meet these requirements will be notified. Any deficiency must be remediated before they can be recommended for certification. Students who received Advance Placement credit as undergraduates or achieved specific scores on the SAT -2 examinations in mathematics, writing, and literature, may be exempted from some of these requirements. For more information, contact the Program Coordinator or Department Chairperson.
