

SPRING 2010 SEMESTER CLASS SCHEDULE

11/2/09

Monday, January 18, through Friday, April 30, 2010

The following courses offered by Lehigh University's Graduate College of Education afford professional leaders in the field of education an opportunity to advance in the subject areas of their special interest. Lehigh University reserves the right to change the rules affecting admission, tuition, fees, courses, students and granting of degrees at any time. The University also reserves the right to cancel or reschedule classes. The CRN is required during the registration process. Each course number is assigned its own CRN, therefore, cross-listed course numbers have different CRNs. **If a course is cross listed, code letters appear in the CL column. Enrollments of cross-listed courses pull from all sections preceded by that same code.**

IMPORTANT: if you are looking at a printed copy, updates are located on our website www.Lehigh.EDU/education/academics/academics.html under "course listings"

Register early, especially if you require certain courses to graduate, as some courses have limited enrollment!

Important information found on the next page.

In order to register for a course, one must formally be admitted to the College of Education. The College of Education, however, encourages qualified individuals interested in pursuing graduate work to make application for admission whether it is for a degree program or just to take a course or two. Non-degree student status is offered to qualified applicants for the purpose of taking one or more graduate courses without seeking a degree. A simplified admissions process is available. No more than 15 hours of graduate study may be taken as a non-degree student. Non-degree students may seek admission to a degree program at any time but must meet all regular admissions criteria. For information call 610/758-3231.

The University uses an on-line registration procedure that allows students to electronically register from on or off campus. Registration for the Spring 2010 semester will follow past procedures requiring students to meet or speak with an advisor. Once this is done, the advisor will assign an "Alternate PIN" in order for that student to register on-line. The student may register from the advisor's office or elsewhere. The link is <https://lewisweb.cc.lehigh.edu/>. Instructions for web enabled registration are available on the Registrar's Office home page <http://www.lehigh.edu/~inrgs/bannerweb.shtml>. New students must first activate their account at http://www.lehigh.edu/~inrgs/bannerweb_activation.shtml in order to register (note that this is not their e-mail account). Any student registering for a course that needs special permission (i.e. course in another college, undergraduates registering for graduate courses, departmental permission, etc.) will require the student to get a departmental override for web registration OR appropriate signatures on the paper registration form. Your patience and understanding with our on-line registration system is appreciated

Register early, especially if you require certain courses to graduate, as some courses have limited enrollment! In the past, Educ/CPsy 471 has already closed minutes after on-line registration began.

Graduate on-line registration begins at 10:00 p.m. Tue, November 10. Web registration closes at 4:45 p.m. Tue, November 24; reopens 8:00 a.m. Mon, November 30, however, late fees apply (see below). The net **tuition** during the 2009-2010 academic year is **\$525** per credit hour, however, the tuition for the joint MBA/M.Ed. program in Ed Leadership is **\$605** per credit hour. **Intern and clinic supervision fees** are charged in addition to tuition. The **auditor's fee** is the same as the complete course fee. The non-refundable **application fee** for admission is **\$65**. Graduate students no longer pay a separate technology fee (see www.lehigh.edu/~inewtech/). There is no registration fee, however a **\$100 late course registration fee** will be charged for any full-time graduate student (includes certified full-time) who has not begun the registration process by December 7, 2009. **Additional late fees might be incurred** AFTER Mon, January 18 – please refer to the Bursar's Office website www.lehigh.edu/~inburs/.

To register contact the respective coordinator at the program area phone number listed below. **Registration by appointment only.**
