New Jersey State Board of Education: Elementary Education, K-8; ESL, K-12

PROFESSIONAL EXPERIENCE

Executive Director, Office of International Programs, Lehigh University, 2000 to Present.

Responsibilities: to facilitate and provide leadership in the area of international education to the College of Education's faculty, staff and students. Specific responsibilities include: provide strategic direction for program development, supervise day-to-day operations for an office including staff and budget, market and brand the College's programs to international audiences and enhance the international reputation of the college.

Academic Administrative Accomplishments

- Developed Lehigh University's graduate international programs in professional education through a grant of 1.3 million dollars with an inaugural class of eight doctoral students.

- In 9 years built the program to a worldwide student body currently numbering 257 with annual tuition revenues of \$800K and increased the College of Education's total enrollment by 33%.
- Designed and introduced an international doctoral program, three international master's degree programs and four post-baccalaureate certificate programs for international educators
- Developed an innovative online, distance component to the College's catalogue
- Developed relationships with international schools and associations to provide on-site programs in the Middle and Far East and Central and South America
- Forged partnerships with organizations such as the National Association of Elementary School Principals (NAESP), the Office of Overseas Schools (A/OS) and the U.S. Department of State
- Received grant revenues of more than \$360,000 in support of assistantships, scholarships, and other projects
- Provide strategic direction for program development through supervision of all academic, public relations, administrative and financial day-to-day operations of the Office of International Programs, including an administrative staff of six, a business manager, technology support staff and two faculty members
- Market and brand the College's programs to international audience
- Influence policy direction on international issues at Lehigh via membership in committees such as the President's Committee for Internationalizing Lehigh and the Global Citizenship Steering Committee
- Participated in a number of accreditation visits while working for both the New England Association of Schools and Colleges (NEASC) and the Middle States Accrediting Association
- Facilitate and provide leadership in the area of international education for the College of Education's faculty, staff, and students
- Enhance the international reputation of the College of Education

Teaching Accomplishments

- Design and teach graduate courses including: Curriculum Design for a Global Society (delivered on-line), Comparative Education, Culture, Climate and Community in Schools, Introduction to Organizational Leadership, Theory and Practice of Teaching English as a Second Language, ESL Assessment and Second Language Acquisition

- Develop and redesign leadership courses to meet the changing needs of schools in today's global world;
- Develop and design on-line distance courses that includes real-time online discussion, video lectures and pod casts traveling around the world

Director, Office of International Programs, The College of New Jersey, June 1995 – June 2000. Assistant Director, 1994 – June 1995.

Responsibilities: to manage and drive the international agenda for the College. This included faculty exchanges, university partnerships, study abroad, visa processing and student teaching exchange programs.

Academic Administrative Accomplishments

- Managed the graduate and undergraduate international agenda for The College of New Jersey
- Organized faculty exchanges
- Forged university partnerships with government and private organizations and advanced partnerships and alliances with international organizations
- Oversaw study abroad, visa processing and student teaching programs
- Working with Ministries of Education, coordinated and operated five international sites offering graduate programs for international educators
- Established and supervised the Global Student Teaching Program offered in seven countries throughout the world
- Guided all marketing communications and program development
- Managed an in-house staff of eleven; administered budget of +three-quarters of a million dollars; recruited and supported international teaching faculty

Teaching Accomplishments

- Taught graduate courses in the School of Education with a focus on Teaching English as a Second Language for both on-campus and overseas student populations
- Served as instructor for on-campus undergraduate courses, including Modern Elementary School and the required freshman seminar, "From Athens to New York"

Primary School Principal, Saudi Academy (private bilingual primary school), Fairfax, Virginia, January, 1990 – September, 1992.

Responsibilities: To supervise the turn-key operation from school construction to hiring and managing this private bilingual pre-K to 4th grade school.

Academic Administrative Accomplishments

- Spearheaded the opening of a bilingual primary school (pre K-3) with an enrollment of 450 students
- Directed facility construction of the primary school
- Provided building-level leadership; hired, managed, and supervised a multicultural/multilingual faculty of 34 teachers
- Initiated curricular and co-curricular program focused on the primary years
- Developed a productive rapport with students, parents, and teachers to create a highly charged learning and bilingual environment

Program Director, Aramco Kindergarten Enrichment Program, Dhahran, Saudi Arabia, September 1984 – September 1987.

Responsibilities: To create a pre-kindergarten program for the various ARAMCO camps throughout the Eastern Province in Saudi Arabia. Supervise and provide professional development for the school heads of these programs.

Academic Administrative Accomplishments

- Administered a kindergarten enrichment program for the Saudi ARAMCO school system; designed the half-time kindergarten enrichment program curriculum
- Supervised staff for all camps and communities in Dhahran

Assistant Educational Director, Educational Resource Center, International College, Beirut, Lebanon, September 1973 – July 1975.

Academic Administrative Accomplishments

- Introduced innovative bilingual learning programs throughout primary and secondary schools in Lebanon; developed curriculum and learning materials for the primary, middle, and secondary years

- Supervised a teacher-training program to provide schools with a cohesive core of educators grounded in bilingual teaching and learning in French or English/Arabic
- Assisted in script writing for the Arabic version of Sesame Street

Community Education Coordinator, Canaan Public Schools, Canaan, Vermont, 1972 – 1973.

Academic Administrative Accomplishments

- Established and coordinated a community education center for bilingual, French/English region under the auspices of the University of Vermont, including an adult continuing education program
- Utilized leadership skills to establish an educational community in this rural area; Secured support funds and structures through grant sources as well as through the local business community
