

StocksQuest Module for SRI Contest

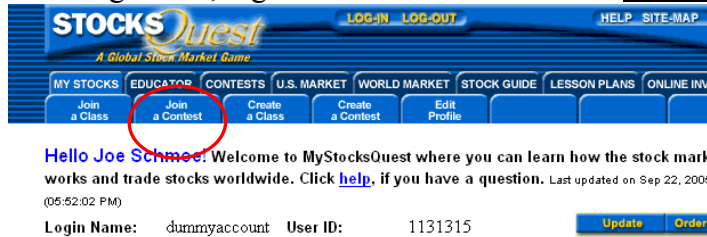

This module walks the user through the StocksQuest investment game for the SRI Contest. First, go to your web browser and enter: www.stocksquest.com or click on the link.

Once in StocksQuest, click on the MY STOCKS tab and then click on Sign-Up

Follow the instructions to complete the registration page.

Once registered, log in to the site and select the Join a Contest tab

You will see this screen:

Next enter the SRI contest name and password:

Contest Name: FSL_SRI

Password: lu1865

For the SRI Contest, you will not be able to buy any stocks until 11/1/2007. Until then you may want to practice using StocksQuest by going back to the the MyStocks page. Click on the Buy Stocks icon which will take you here

Buy Transaction

Quantity	Symbol	Notes
<input type="text"/>	<input type="text"/>	<input type="text"/>

▼ **Instructions**

Once you have decided which stocks to purchase, enter the

1. **Number of shares.** (Must be a positive number such as 1,10,100.. etc)
2. **Stock symbol.** (For example, KO for Coke. Use [lookup](#) to find stock symbols).
3. **Reason for choosing the stock** in the notes box.

After filling out these boxes, click **Submit Buy Order**. If you enter incorrect information or run out of cash, an error message will display. Good luck and have fun! Click [help](#) if you have a problem.

FUND FINDER

Simply input the quantity of shares you want to buy and the stock symbol. You can determine the number of shares to buy using the provided Excel spreadsheet which has an equal weighted model and an ethically weighted model or you can determine your stock weights in another fashion.

Group Joined Successfully

Congratulations, you have joined the group successfully. To start trading, you must first go to the [MyStocks](#) page and select the group you just joined.
