3:15 - 5:00	Tours of SMI Plastics Labs	[small groups]
3:15 - 5:00	Posters / Networking / Evaluation	[all]

We will be asking you to participate as follows:

1. Consider making a brief PRESENTATION of your company's interests and activities in nanotechnology during one of the time slots that are still open. Please contact us to arrange this ASAP.
2. Bring one simple but informative POSTER to describe your company's needs, technical or commercial issues, opportunities, and/or resources you are able to offer to nework partners.
3. SUGGEST speakers from your company or elsewhere for this or future meetings.
4. Take a few minutes to submit your MEMBER PROFILE for distribution to other members, if you have not already done so. We currently have profiles for 18 of our 52 members. A template is attached.

PLEASE CONTACT SUE STETLER AT 610-758-3850 OR SLS4@LEHIGH.EDU BY
SEPTEMBER 12 TO REGISTER, and stay
tuned for more details.
