

Lehigh University Center for Optical Technologies

Lehigh Carbon County Community College

Electronics Technology (A.S.S.) – Optoelectronics Program

- First Semester
 - Fundamentals of Technology
 - D.C. Circuits
 - Digital Fundamentals
 - College English I
 - Algebra & Trigonometry
- Second Semester
 - Electronic Drafting
 - A.C. Circuits
 - Intro to Microprocessors
 - Technical Reporting
 - **Intro to Fiber Optics**
- Third Semester
 - **Advanced Fiber Optics**
 - **Communication Networks**
 - Physics I
 - Humanities
- Fourth Semester
 - **Optoelectronics Applications**
 - **Fiber Optic Test & Measurement**
 - Integrated Circuits
 - Physics II
 - Humanities
