LU Rock Climbing Club

SSR24CA001

The LU Rock Climbing Club seeks Senate recognition in order to organize and expand the rock climbing community here at Lehigh, as well as expand outside the confines of the University. The club roster includes over 35 climbers who regularly utilize the Rock Wall in Taylor Gym. The Rock Climbing Club promotes safe, fun rock climbing for all levels of experience by planning events from beginners' classes to a climbing competition against Lafayette. The Rock Climbing Club looks forward to fostering a central hub for rock climbers at Lehigh to exchange experience and equipment on a regular basis, as well as organize larger events, such as a major Lehigh presence at the North Summit Climbing Gym Competition later this academic year.

It is the recommendation of the Club Affairs committee that Student Senate XXIV accept preliminary recognition of the LU Rock Climbing Club.

F-Stop

SSR24CA002

F-Stop, the emerging photography club on campus, seeks recognition from Student Senate in order to integrate professional-level photography into nearly every facet of Lehigh University. F-Stop originated as an outlet for photographers to meet outside of *The Brown & White* – the only other avenue for photographers – and has rapidly expanded its focus on incorporating themselves into Lehigh events, such as football games, in order to produce quality photo records for Lehigh University. F-Stop looks to hold regular, technique-focused workshops (taught by faculty and professionals) in order to promote the artistic aspects of photography. F-Stop also plans to hold a photography contest, which would enrich Lehigh's artistic image. Affectionately nicknaming themselves "Lehigh's Paparazzi", F-Stop seeks to expand the presence of quality photography on campus for the betterment of themselves and the University.

It is the recommendation of the Club Affairs committee that Student Senate XXIV accept preliminary recognition of the LU Rock Climbing Club.
