

# C.L.I.P. Committee Goals

September 21, 2010

## Academic Affairs and Advocacy

### Goals for the year:

- A mentorship program within each college for freshman
  - Have designated upperclassmen within each major that incoming freshmen and any other students will be able to contact with questions about his or her major
- Continue to examine the advising systems within each college
  - Look at the advisor's role in making schedules and picking, adding and dropping classes
  - Follow up with deans and administrators about the advising system and any changes that have been made
- Library hours and study spaces
  - Adding 24hr study spaces
  - Extending library hours
  - Work with Facilities and Transportation (F.A.T.)
- The First Year experience
  - Schedules and advising
  - Improve orientation
  - Examine how Gryphons are rehired and possibly improving feed back from first year students

  - i. SPIRIT WEEK – Sofi
  - ii. LipDub II

**Goals for this week:**

1. Get a better idea of where other organizations are. (we all have overlapping goals)
2. Start planning by breaking down each goal into steps

### **Community Relations**

**Mission Statement:** To create a more unified community between Lehigh University and South Side Bethlehem by being good neighbors.

**Goals:**

1. Change residents skewed perspective of Lehigh students that is given by the messiness of off-campus students
2. Work with various groups that are already working to accomplish tasks that we support
  - Community Service Office
  - South Beth. Greenway
  - Dale Kochard
  - Professors at Lehigh
3. Partnering with the ILE course to promote and assist with the Greenway efforts
4. Working with students to educate them on good neighboring practices and picking up after themselves
5. Encouraging more students to serve their local community, in the appropriate manner
6. Introducing a more positive presence of lehigh students in southside, by publicizing local events and festivals, to the entire university

### **Facilities And Transportation**

**Goals from last meeting:** N/A

**Progress made from last meeting:** Made a schedule for selling Thanksgiving bus tickets and divided work to reach goals for next meeting. Told Mary about PR requests.

**Goals for this week:** **Contact Matt about funding for Thanksgiving buses. Contact Ruby Scott about reserving a table in Ulrich and selling tickets. Contact bus companies to reserve a bus.**
