Transportation Committee: Improving Buses!

Student Senate XXI's Transportation Committee recently met with Brynn Buskirk, Marketing Specialist for Lehigh, and held a focus group to hear what students want improved with Transportation Services here around Lehigh. Much of the attention was focused on the TRACS shuttles and ways to increase students' knowledge about TRACS. Senate has helped put feedback cards in the shuttles now. The committee has also been working on better signs at the bus stops to inform of such things as when the bus comes, where it stops, etc. Also, Transportation Services and the committee are in the process of getting crosswalks painted by the Hawk's Nest.

Reminder: Earth Day is Coming Up!

Student Senate XXI wants to remind you can make a difference and fight climate change on Saturday, March 28th. Earth Hour 2009 will take place between 8:30 and 9:30PM on March 28th, where you turn your lights off for that hour. Last year, over 50 million people around the world including the Golden Gate Bridge, Sydney Opera House, and Times Square participated in Earth Hour 2008. Go to <http://www.earthhour.org> for more info.

Student Safety and Advocacy Works on Escort Service, Blue Lights, Among Others

With safety on the minds of Lehigh's student body, Student Safety and Advocacy has been handling many goals to better our surroundings. The committee is working with LUPD on the status and effectiveness of the emergency blue lights around campus. Also, the committee is looking to promote a little-known Escort Service that is provided by LUPD throughout our campus.

Facilities and Student Spaces: Enhancing Lehigh Campus

Senate XXI's Facilities and Student Spaces committee has been busy at work, trying to better many aspects of our campus. They have been meeting with staff at Taylor Gym to improve the facility. The committee is also close to having a student art gallery in Ulrich's Kenner Theater. Various other projects the committee is working on include coin machines in dormitory laundry rooms, placing more trash cans around the hill, and increasing publicity for Lehigh's photography dark room.
