

1. Instructor: B. Dodson, Room 207 XS, Phone x8-3745, Email bad0.
2. Text: Churchill-Brown, Complex Variables and Applications, 8th Edtn. Selected portions of Chapters 1-10 will be covered.
3. Attendance is required in class. Study homework will be assigned in each period.
4. There will be 100 points for in-class material consisting of graded homework and in-class quizzes. Late work will not be accepted, but one grade will be dropped to allow for unavoidable absences.
5. There will be two hour exams, which count for 100 points each. The first exam will be on June 2, the second exam will be on June 16. The third exam will count for 150 points, on June 30, and will include some cumulative material
6. Grades are based on your score out of the above 450 points. A total score of 90% is at least an A-, a total score of 80% is at least a B-, a total score of 70% is at least a C-, and a total score of 60% is at least a D-. Exams and quizzes will be based on homework.
