

Lehigh University presents

*An opportunity for a
conversation with an expert*

Geraldine Dawson, Ph.D.

Chief Science Officer

AUTISM SPEAKS™
It's time to listen.

Who: Mental Health Professionals
and Teachers of
Children with Autism

**Free and
open to
the public!**

When: Thursday, March 19th
3:30 p.m.

Where: Neville Hall, Room #1
East Packer Avenue

Geraldine Dawson, Chief Science Officer of Autism Speaks, is also Research Professor of Psychiatry in the Department of Psychiatry at the University of North Carolina at Chapel Hill. Prior to joining Autism Speaks, Dr. Dawson was Professor of Psychology and Psychiatry at the Univ. of Washington and Founding Director of the Univ. of Washington Autism Center, which has been designated a National Institutes of Health Center of Excellence since 1996. Dawson's research spans genetics, neuroimaging, diagnosis, and treatment.

*Dr. Dawson's visit is sponsored by a grant from the
Howard Hughes Medical Institute for Undergraduate Bioscience Education
with support from the College of Education*
