

Department Contact List

Students studying abroad must get all courses pre-approved. Courses counting towards a students major, minor, or distribution requirements must be approved by the department chair. Non-major/minor courses can be approved by the Registrar's Office. While on campus, please make an appointment with the appropriate contact, and take course syllabi/descriptions to get your courses approved. If you need to get additional courses approved while abroad, email this information to the department chair or registrar. Study Abroad must always receive a copy of your course approval.
