GRACE HALL - ULRICH CENTER
LEHIGH UNIVERSITY

Grace Hall, built in 1942, is noted by USA today as one of the top five indoor college sports venues. As one of the most historic buildings on campus, it is the home of Lehigh University's fabled and championship wrestling team.

The renovation of the upper floor of Grace Hall into a wrestling team training and practice facility transforms the building into a wrestling complex that will be second to none in college wrestling.
