

## Student Profile

Name	Charles Barrett
Email	<a href="mailto:cabc@lehigh.edu">cabc@lehigh.edu</a>
U. Grad. Degree(s)	St. John's University, BA: Psychology, English
Research Interests	Cross-Cultural Assessment of ADHD
2005 -2006 placements	Deiruff High School, Allentown, Pennsylvania Sacred Heart Hospital, Allentown, Pennsylvania
Why interested in the project	I became more interested in the Pediatric Leadership Training Project because of its focus on prevention and early intervention. These two ideas are not only critical to providing quality care to children with chronic medical conditions, but to all children, which School Psychologists have the capacity to impact. I was also interested in training experiences working with minority children living in low-income urban environments.
