

Now is the time to apply for Financial Aid at Lehigh!

Prospective Student Financial Aid Checklist¹

□ Complete the 2025–2026 College Board CSS Profile™

Complete online at cssprofile.org (school code: 2365). A \$25 fee is charged for the initial school's application, and \$16 for subsequent ones. The form will automatically waive the fee for families with AGI's under \$100,000. Note: if your legal parents do not live together, your parents (custodial and non-custodial, including step-parents if applicable) will need to complete separate applications.

□ Complete the 2025–2026 Free Application for Federal Student Aid (FAFSA)

Complete online at studentaid.gov (School code: 003289) using student and parent information. The FAFSA will not be available to complete until mid-December 2024. Early Decision applicants will receive a tentative award based on the CSS Profile information and tax documents and will be required to submit the FAFSA when the application is made available.

□ Submit parent(s)' 2023 Federal Income and Business Tax Documents

If any parent (custodial/non-custodial/step-parent) is required to file a tax return, please submit a signed copy of your 2023 federal income (1040) tax return, along with all accompanying schedules and W-2 forms. If any parent (custodial/non-custodial/step-parent) is an owner (part or full) of a corporation/partnership, please also submit copies of the 2023 business (1120, 1120S, 1065) tax returns and any accompanying schedule K-1s.

¹The materials above are required if you are applying for institutional need-based aid. If you are applying for federal aid only, you will only need to submit the FAFSA. If you have been selected for verification by the government then you may be required to submit additional documents, such as the Verification Worksheet, as requested by our office.
