WALL STREET WEST[®]

Topic: 10-Ks

Designed by: Prof. David Myers and Prof. Paul Gordon

Learning objective: Download company filings from the SEC's EDGAR system.

Description:

Students will locate and download company 10-K filings from EDGAR. They will download the data through www.sec.gov.

- Open your web browser and type www.sec.gov
- Click on **Filings & Forms (EDGAR)**
- Click on **Search for Company Filings**
- Click on **Companies & Other Filers**
- Type in the company name or ticker symbol (ex. General Motors or GM) or
- Choose the appropriate company by clicking on the red CIK
- Choose the appropriate time and filing and click on **[html]** or **[text]**

Once the students have the 10-Ks, they can compare the raw SEC data with on-line sources of financial reporting and ratio analysis.
