College-Specific Information

Welcome!

We are thrilled you will be joining us in August! This packet contains a great deal of information that will help you better understand your college-specific requirements and the Course Request Process to be completed Wednesday, June 8–22, 2011.

Enclosed you will find a welcome letter from your college of enrollment that will acquaint you with the faculty and staff you will work with during your time at Lehigh. Your college packet also includes information on first-year courses, advanced placement and college credit you may have already received.

You will receive your final course schedule in August when you arrive for Orientation. On Friday, August 26 you will have an opportunity to meet with an academic advisor to discuss your schedule and any changes you would like to make. You will also have plenty of time to purchase your textbooks and prepare for your first day of class.

Please be sure to read through this entire packet. If you have any questions related to Orientation or evoLUtion, please contact the Office of the First-Year Experience. If you have questions regarding your courses, please contact your college of enrollment.
