

Blue Jean Bash
Friday, October 28th

Here are the facts and projections:

- One in every eight women will be diagnosed with breast cancer in her lifetime.
- One person is diagnosed with breast cancer every three minutes in the United States.
- In the U.S., there were 207,090 new cases of invasive breast cancer and 39,840 deaths from breast cancer in 2010.
- There are more than 2.5 million breast cancer survivors in the U.S. today.
- About 10-15% of breast cancers are found in women under 45 years of age.

For 15 consecutive years, Lehigh has participated in raising funds for breast cancer research and education. In exchange for a \$5 donation to the **Susan G. Komen Breast Cancer Foundation**, employees may wear jeans to work to show their support for the fight against breast cancer. By participating in the **Blue Jean Bash**, your contribution will benefit breast cancer prevention services, groundbreaking breast cancer treatment and early detection research. Once again, Lehigh University is proud to be a part of this program and we encourage you to participate on ***Friday, October 28, 2011.***

If you have questions regarding this program, contact **Mary Jo McNulty** at extension 83894 or mjd4@lehigh.edu. To register, fill out the form below and return it to Human Resources no later than **Friday, October 21, 2011.**
