APPLICATION STEPS

Lehigh University awards need-based financial aid to international students. Competition is very keen and our budget is limited.

Continuing students who are non-U.S. citizens must reapply annually for aid. **Only those international students who received aid in their first year are eligible for aid in continuing years.**

To reapply for aid for the 2017-18 award year, students must complete following:

**STEP 1**

The CSS/Financial Aid PROFILE: You will be required to pay a registration fee as well as a fee for each college to which your information will be sent. You may pay by credit card or online check. If your family circumstances prevent payment of this fee, you should contact us with the following information:

- Name (as it appears on the Common Application)
- Country of Residency
- Exchange rate between local currency and US dollars
- Total family income for 2015 in US dollars
- Total family assets in US dollars

**STEP 2**

International Student Certification of Finances: Submit directly to the Office of Financial Aid with supporting documentation; **This form is required of all non-US citizens.**

**Important Notes:**

- Applicants who submit applications after the filing deadline are at risk of not being fully funded.
- Renewal of financial aid is subject to timely applications, continued demonstrated financial need and acceptable academic progress (passing and completing no fewer than 12 new credits per semester with a GPA of at least a 2.0 per semester and cumulatively). If special circumstances contributed to poor academic performance, you may petition the Financial Aid Committee and/or may wish to attend summer school.
- Be sure to retain a copy of all financial aid application materials and award letters.
- The anticipated electronic billing information from the Bursar’s Office for the 2017 fall term is early July with a due date of early August.
