How did you find out about Launch-IT?

What is your experience working with students?

Please list any additional volunteer work, clubs or organizations you are apart of:

Launch-IT Program (Information Technology)
VOLUNTEER STUDENT APPLICATION 2009

Do you have experience working with Flash, Dreamweaver, or Java? (Please indicate any additional technical experience.)

Do you have a preference in terms of which age group you are interested in working with?

(Robotics team 6th & 7th grade, Fuego Flash 8th & 9th grade, Java team 10th, 11th & 12th grade)

Consistency in the classroom is an essential element to the Launch-IT program. Do you have any conflicts with dates during the 3-week summer camp, July 20th through August 6th, 2009?

Please email completed applications to prj2@lehigh.edu or mail applications to:
