

## Agenda for March 13-14, 2009 Fair

### Friday, March 13, 2009

### Rauch Field House, Goodman Campus

4:00 PM - 8:00 PM

Students Register, Set-up Projects, and Projects Are Safety Checked

### Saturday, March 14, 2009

### Rauch Field House, Goodman Campus

12:00 PM – 12:15 PM

Students Arrive

12:30 PM - 2:45 PM

Student Interviews with Judges

2:45 PM - 3:30 PM

Free Time and Complete Evaluations  
Judges Finish Selection/Award Process

3:30 PM - 4:30 PM

Project Displays Open for Public Inspection

4:00 PM

Delaware Valley Winners Announced  
Mr. Robert Haines. Wrap-up

Delaware Valley Winners and Their Parents Meet With Mr. Haines.

---

## Lehigh Valley Science & Engineering Research Fair General Rules and Guidelines

1. Registration, Set Up and Safety Inspection of all projects must be done Friday night, March 13, 2009. Should the student not be available, a parent, friend or teacher can set up the project in the student's absence.
2. Students who have elected to participate in other events on the day of the fair, must be present for their interview with the judges by 12:30 PM in the Rauch Field House.
3. No parents or teachers on the main floor during judging.
4. Students are to sit at their project site at all times during the interview portion of the judging process otherwise risk not being interviewed if not present. Suggest bringing a book or school work to read while waiting their turn.
5. No throwing Frisbees, footballs, etc. on the project floor.
6. No food and drinks on display floor. Snacks will be provided in separate area.

*Please see reverse side for set up guidelines.*

# PROJECT DISPLAY GUIDELINES

## Maximum Size of Project

30 inches (76 centimeters) deep

48 inches (122 centimeters) wide

108 inches from floor (274 centimeters) high including table

Notes: Each project will have half of an eight-foot table.

**Forms must be visible at all times on the table** or in front of the vertical display board if they apply to the project:

Registered Research Institutional/Industrial Setting Form (1C) — if applicable Informed Consent Forms (4) (or equivalent form provided by a registered research institution) for any identifiable and/or recognizable people (except the Finalist or the Finalist's family members) who are included in any photographs or visual depictions anywhere at the project or in the booth.

**Please be advised that the abstract should be displayed on the board in the upper right hand section of the display.**

## Not Allowed at Project or in Booth

- Living organisms, including plants
- Taxidermy specimens or parts
- Preserved vertebrate or invertebrate animals
- Human or animal food
- Human/animal parts or body fluids (for example, blood, urine) (Exceptions: teeth, hair, nails, dried animal bones, histological dry mount sections, and completely sealed wet mount tissue slides)
- Plant materials (living, dead or preserved) usually which were part of the scientific experimentation and which are in their raw, unprocessed, or non-manufactured state (Exception: manufactured construction materials used in building the project or display)
- Laboratory/household chemicals including water (Exceptions: water integral to an enclosed apparatus or water supplied by the Display and Safety Committee)
- Poisons, drugs, controlled substances, hazardous substances or devices (for example, firearms, weapons, ammunition, reloading devices)
- Dry ice or other sublimating solids
- Sharp items (for example, syringes, needles, pipettes, knives)
- Flames or highly flammable materials
- Batteries with open-top cells
- Awards, medals, business cards, flags, etc. (Exception: The current year Intel ISEF medal may be worn at all times.)
- Photographs or other visual presentations depicting vertebrate animals in surgical techniques, dissections, necropsies, other lab techniques, improper handling methods, improper housing conditions, etc.

**NO FOOD, PLANTS, ANIMALS OR LIQUIDS OF ANY KIND ARE PERMITTED!**
