Re: Prescription Information Sheet – TMESYS Program

The pharmacies listed below participate in *TMESYS* – the workers’ compensation prescription program.

Should you need to purchase prescription drugs as a result of your work-related injury, provide the pharmacist with your name, social security #, and date of injury. The pharmacist will process billing directly to *TMESYS*.

HOWEVER – should it be necessary for you to purchase a prescription before your claim has been processed with the University’s workers’ compensation insurer, you should pay for the prescription and submit the receipt to Risk Management for processing. **DO NOT USE YOUR UNIVERSITY GROUP INSURANCE PLAN TO PAY FOR A PRESCRIPTION NEEDED AS A RESULT OF YOUR WORK-RELATED INJURY.** Subsequent prescriptions/refills required as a result of the work-related injury should be processed through the pharmacy *TMESYS* plan.

If you have any questions, please contact Risk Management at x83899.
