**Topic:** Strategic Planning and How to Utilize Resources

- Discussed the SSCRR and what we plan to do with them

#### Goals for this week:

- Review the SSCRR rules and SS bylaws

Send out e-mails to clubs about the next forum

### New Senator Integration Ad-Hoc

Chair: David Disler

#### Goals from last meeting:

Receive feedback from the Senators who went through the Senate Integration Program.

#### Progress made from last meeting:

The committee met with Jordan to discuss the effectiveness of the Ad-Hoc. Also designed a survey and sent to Exec that will be sent to the Senators who went through the Senate Integration Program.

#### Goals for this week:

Review feedback from the survey.

#### Action steps to take this week:

Review feedback from the survey.

### LTS Advisory Committee

Chair: Beth Kertz

#### Goals from last meeting:

-Discuss E-Bulletin idea  
-Come up with new ways to utilize the LTS Grant  
-Contact Carol Hill about E-Bulletins  
-Research risedisplay.com for information about software  
-Change meeting time

#### Progress made from last meeting:

-We came up with lots of new ways the grant could be used:  
Improving the Ulrich projector (possibly an HD projector), public computers in dorms, copies of design software for students, dance/entertainment room (w/ surround sound, screens, etc), video console rentals/IP TV video rental, Lehigh carpool site/portal, healthy/new age vending machines, mail notification, Lehigh weather satellite, laser tag room  
-E-mailed Carol Hill; awaiting response  
-Meeting time was changed to Wednesdays at 7 p.m. in Upper Ulrich

#### Goals for this week:

-Meet with Carol Hill to discuss e-bulletins  
-Meet with facilities to see if they would be interested in taking over the e-bulletin project (if Carol is willing to help as well)  
-Decide on another project for the LTS Grant  
-If we decide we're interested in pursuing a game room (or any other project), we will need to survey some students as well.
