2. Write your full name
& University/Affiliation

3. Click here to enter online

2. It will then prompt you for your Name **(see above)**.

Please write your FULL NAME and Name of University /Affiliation please

3. Click on **Enter Room**

The first lecture will begin on Monday Jan. 17th at 1:00 pm (EST-USA).

The site will be open from 10 am (EST-USA) on this day so you will have the opportunity to check your connection, audio and do a **test LOG-ON** some time prior to the lecture.

Note: If you have never used the Adobe Connect on your computer before, your computer may request that you install a flash plugin, it is safe!

Any questions, concerns or problems regarding the Adobe Connect, you can contact our technical expert, David White at Clemson University by e-mail at WDAVID@clemson.edu or call him at 864-656-7880 between 10am and 12.45pm (EST-USA)

We strongly recommend that you do a test sometime prior to the first lecture as it will not be possible to sort out any connection problems during the lecture which will begin promptly at 1:00pm (EST-USA).

[Course notes, homework, video links, contact information & special announcements:](#)

You can access all course notes, homework / assignments (if given), video links on the course, contact information by going to a new web page link at:

<http://www.lehigh.edu/imi/ChalcogenideGlasses.html>

The screenshot shows the website for the International Materials Institute for New Functionality in Glass. The main heading is "A mini Interactive Web Course on CHALCOGENIDE GLASSES" running from January 17 to March 9, 2011. It includes a "Course Information" section with lecture times (1:00pm-2:00pm EST-USA), a "Schedule and Lecture Topics" table, and a "Navigation Links" sidebar.

	Lecture Topic	Slides/Course Notes	video archive
	All lectures will be presented by Prof. Yong Gyu Choi (unless noted otherwise)		
lecture 1 01.17.11	Syllabus Introduction Characteristics and fabrication	pdf> pdf>	
lecture 2 01.19.11	Structure 1 : glass formation and structure models	pdf>	

Course notes for the upcoming lecture will be available prior to the lecture so you are able to download these.

Homework and assignments will be posted on this page by the appropriate lecture/date

Recorded lectures:
Lectures will be recorded and made available within a few days of the live lecture.

ALL LECTURES ARE SCHEDULED TO BEGIN PROMPTLY at 1:00PM (Eastern Time in USA), please check the difference in time zones and plan accordingly. For example: 1:00pm Eastern Standard Time (EST-USA) would be 6:00pm in the UK (+5hrs); 7:00pm in France (+6hrs) and 11:30pm in India (+10.5hrs) or 10:00am (-3hrs) Pacific time USA; 11:00am (-2hrs) Mountain time USA; 12:00 noon (-1hr) Central time USA.

Location for participants at Lehigh University Campus: Room 451, Whitaker Lab.

Please plan to arrive 5-10 minutes before start of lecture to set up.
