2

Homework 2:

6.2 continued, 6.3

Homework 3: 6.5, 7.1

Homework 4: 7.2, 7.3, 7.4

6.3 Volume by shells

We covered the text's example 1, and exercises 2, 6, 5

6.5 average values.

We covered the definition and the statement of the Mean Value Theorem for integrals

7.1 Integration by Parts

We covered the text examples 1, 2, 3 and 4.

Then we covered all but a few of the practice HW. Exceptions were 51, 54 and 66.

For 17 and 18, we refer to the text example 4.

Start 7.2, 7.3 and 7.4
