

Evaluation of Background Reports

IR 322, Spring 2008

Evaluator _____

Team _____

You MUST assign a letter grade for the paper and the overall evaluation of each team (including *your own*). The paper should constitute 50% of the overall grade.

You MUST assign a letter grade for the paper and the overall evaluation of *each individual on your own team (including yourself)*.

All other evaluations are requested, but optional. You may break down the grade of each team into individuals and/or assign separate grades for the different facets of each report: depth of research, clarity of argument, attentiveness to role considerations, demonstration of theoretical knowledge, etc. **You may/should attach additional sheets.**
