Dan M. Frangopol, Sc.D., P.E., F.SEI, F.EMI, Dist.M.ASCE
Elected as a Foreign Member of the Academia Europaea

Prof. Frangopol, a long-time EMI and EMD member who served as EMI Governor and Vice-President, was elected as a foreign member of the Academia Europaea. He was one of only four foreign members elected in the Physics and Engineering Science section. He also received an honorary doctorate (Laurea Magistrale ad Honorem) from the Politecnico di Milano. This was the fourth honorary doctorate Frangopol has received in his career. Learn more about these well-deserved recognitions at: [D. Frangopol](#).
