Use of Exploring Life Chapter Activities
(Weeks 3, 6, 9, 12, & 15)

On the next few pages you will find charts that allow you to identify which *Exploring Life* activities you have used in the past three weeks.

We include charts for five separate chapters and ask that you complete one chart for each chapter you have used in that period.

Be sure to indicate the number of the chapter in the blank above the instructions for each chart.

You need only complete as many charts as you have done chapters over the past week.

Once you are done, save this file and send it back to us attached to an email.

Thanks.

Louise (for the *Lehigh Exploring Life Workgroup*)
