## 2022-2023 Non-Custodial Parent Income and Expense Worksheet

Student Name: \_\_\_\_\_ Lehigh Identification Number (LIN): \_\_\_\_\_ Parent Name: \_\_\_\_\_

The purpose of the following worksheet is to obtain an accurate portrayal of your family’s ability to meet their expenses based on the current income being reported. Please complete the worksheet to give us more detail regarding your family’s monthly expenses, which will allow for a more accurate review of your financial aid eligibility. Return the information to our office as soon as possible so that we can continue with our review of the student’s Financial Aid eligibility.

In the spaces below, indicate all resources and expenses for the current year. For any category in which there were no expenses or resources, please write “0”. For one-time annual expenses use a monthly average. Total expenses that exceed the total resources will be treated as untaxed income for institutional purposes. **If the reported expenses are greater than the reported resources**, please provide a brief explanation and attach to this form.
