2. Eligibility is based on financial need and the availability of funds.
3. Applicants must satisfy the requirements for making "satisfactory academic progress" in order to be considered eligible for aid.
4. Applicants must have a completed FAFSA application on file for the 2015-2016 academic year.
5. Aid eligibility is based on enrollment status. Students must notify the office of financial aid if there are any changes to the amount of credits for which they are enrolling.
6. Applicants are encouraged to apply for any state and federal grant and/or loan funding for which they might be eligible.
7. **Please be advised that your Federal Direct loan eligibility for the 2015-2016 academic year will be reduced by the amount of any Federal Direct loan borrowed for these sessions.
