You will be notified by our office if you have been selected for verification by the government and have not completed one of the steps. Failure to comply will result in the prevention of disbursement of all federal funds to your student account and could potentially put you at risk of being charged a late payment fee due to the resulting unpaid balance. |

REMINDERS!

- All application materials must be completed and submitted by March 15.
- You must maintain satisfactory academic progress to maintain aid eligibility.
- Changes to your household size and number of siblings in college will affect your eligibility.

Check the student portal often to view outstanding requests for paperwork and to confirm receipt of all application materials. Please give us five to seven business days from the date of submission for the information to be updated.

To submit materials: Lehigh is NOT an IDOC participating school. The Lehigh Application, parent and student tax information and any supplemental documentation should be submitted directly to Lehigh via the LU FileSender at lehigh.edu/financialaid/contact (preferred), fax mail or in-person.

2017-2018 financial aid notifications will be available via the Lehigh Portal by late June.

¹The above materials are required if you are applying for institutional need-based aid. If you are applying for federal aid only, you will only need to submit the FAFSA. If you have been selected for verification by the government then you may be required to submit additional documents, such as the Lehigh University Application for Financial Aid, and/or use the IRS Data Retrieval Tool, as requested by our office.
