

Scholarship Recipient Profile

Congratulations on receiving a named scholarship(s)!

Please [click on this link](#) to complete your Scholarship Recipient Profile. Please be thoughtful in your responses, as we are eager to share with your donor what makes you and your Lehigh experience so special. The goal of this form is to share a little about yourself with the donor of your scholarship and thank them for their generous contribution to your education.

Each year, scholarship recipients are asked to complete this form. We use your responses to develop a personalized annual report for the donor or representative of your scholarship.

Understanding Named Scholarships

Lehigh's generous donors established more than 1,000 scholarships so students are able to attend Lehigh regardless of their financial situation.

These donors are successful alumni and friends of Lehigh who have worked hard and who proudly give back to ensure your academic success.

Lehigh packages financial aid awards based on student need, and at first your package is sourced from general university grants. The Office of Financial Aid then determines the specific funding sources for your award based on your eligibility. The amount awarded through named scholarship(s) fund a portion or your total need-based Lehigh grant.

For most named scholarships, all students with aid packages are automatically considered. Selection is based on a student's match with a scholarship's criteria, if applicable.

A named scholarship does not change the total amount of financial aid awarded.

Your donor provided the funds for the scholarship, however they did not select you as the recipient of this award. Selection is facilitated by the Office of Financial Aid.

If you have any questions, or would like to learn more about your donor before completing the form, please contact Olivia Fay at oif215@lehigh.edu or 610-758-2822.

For questions concerning your financial aid award, please contact the Office of Financial Aid at financialaid@lehigh.edu or 610-758-3181.

Congratulations again on your award, and I look forward to being in touch.
