Join us for

family weekend

November 9-11
2018
Dear Lehigh Parents,

Every day at Lehigh University, I have the pleasure and privilege of working with your talented students. Their eagerness to learn, explore new ideas, and share their own stories and experiences is inspiring to me and my dedicated team. We strive to create a supportive and challenging environment, within a community that encourages freshmen through senior year involvement, and opportunities for all students to thrive. I am proud to be part of shaping the transformational Lehigh experience, which helps students discover themselves and how they will make a difference in the world.

Family Weekend is your chance to share in this experience, valued by so many alumni as the reason for their success. Visit your student’s favorite spots on campus, join a class, enjoy a performance, and cheer on our Mountain Hawk fall sports teams. Go beyond campus to explore our South Bethlehem community and all it has to offer. Connect with leadership, faculty, and staff, and learn how Lehigh is growing and changing. And, of course, you’ll be able to spend time catching up with your Lehigh student!

This is an exciting time to be a Lehigh student -- and a Lehigh parent! Please join us to be part of it.
