

DIVERSITY OVERNIGHT PARENT AGREEMENT FORM

Our overnight diversity program will allow students to experience a weekend as a Lehigh student. By interacting with faculty, support services, and current students we hope your visit will give you a better idea of what Lehigh has to offer academically and socially.

To ensure a safe and worthwhile experience, we ask applicants and parent(s) to review the following policies and regulations:

As a visiting student you are consenting to sharing a room with another student that is fully vaccinated against COVID-19. Additionally, you are to abide by the rules and regulations of the [Lehigh University Code of Conduct](#), and you will be held accountable for all actions that are congruent to those rules. Which includes, but is not limited to the following: no alcohol/drug policy, bullying, racism, homophobia, and/or xenophobia. While on campus, Student Event Coordinators and Admissions Staff Members will provide prospective students with guidance, but each visiting student is responsible for conducting themselves in a safe and dependable manner.

Understanding and agreeing with our policies, please sign the Acknowledgement Statement below with your parent(s)/guardian (s) by the date listed on your application to ensure your application will be considered for this program. Spaces are limited and participation will be on a first come, first serve basis. No late responses will be accommodated as travel arrangements are time sensitive. Please Note: You are responsible for the full cost of any travel accommodations (if applicable) if you decide not to attend the program after transportation for you is confirmed. Checks can be made payable to Lehigh Office of Admission and must be paid within 30 days of the program.

Acknowledgement Statement

As a visiting student, I will abide by Lehigh University's policies and regulations. I understand that Lehigh University and the State of Pennsylvania's policies and laws prohibit the use of illegal drugs and forbid any person less than 21 years of age the use or possession of any alcoholic beverages. I acknowledge that any Diversity Overnight Program participant who disobeys the policies on alcohol and/or drug use and/or possession will not be allowed to further participate in the program and will be asked to terminate the visit, leaving campus as soon as travel arrangements are finalized. I also understand that any violations of the university policies may disqualify my acceptance of admission to Lehigh University.
