FINANCIAL AID AT LEHIGH

Navigating financial aid doesn't have to be overwhelming. Because no two financial situations are the same, Lehigh's counselors work with you one-on-one to help you understand your options and secure the best path forward.

Types of Financial Aid

Most financial aid packages combine the below types of aid, based on an assessment of each family's ability to contribute in an equitable and consistent manner.

01 Scholarships and Merit-based Awards

Merit scholarships are gift aid awarded independently of your need-based application. See below for a selection of the scholarships available from Lehigh.

Scholarship	Amount (annually)	Application required
Founder's Scholarships	Full Tuition	No
Soaring Together Scholarship Program	Full Tuition	Yes
College of Health Scholarship Program	Full Tuition	Yes
The Army Reserve Officers' Training Corps (ROTC) Scholarship	Full Tuition (from ROTC) Room & Board (from Lehigh)	Yes
Trustees' Scholarships	Half Tuition	No
Dean's Scholarships	\$25,000	No

02 Grants

Grants are gift aid awarded to students. Funds are awarded based on a student's calculated need as determined by the university.

- **Federal Grants** (Pell Grant, Federal Supplemental Education Opportunity Grant [FSEOG])
- **Lehigh Grants** (Endowed & Sponsored Scholarships)

03 Loans

Loans are funds that a student is required to repay after graduating from college (or once no longer enrolled at least half time).

04 Student Employment

Through Lehigh work-study awards, students can earn money to help meet expenses that are not billed by the institution, such as books and personal items.

How Much will Lehigh Cost?

Our cost of attendance is listed on the right, but you won't know for sure how much Lehigh will cost you until you apply for financial aid and receive your financial aid notification. We are proud to provide a financial aid notification at the same time as admissions notification for families who have met the deadline.

Item	Cost
Tuition	\$69,420
Typical first-year housing	\$11,470
Full meal plan	\$7,760
Technology fee	\$630
Activity fee	\$290
Wellness fee	\$250
Total Cost**	\$89,820

* In addition to these direct costs, you should also consider indirect costs of college, including books and supplies. For the purpose of awarding need-based financial aid, Lehigh includes \$1,000 estimated costs for books and \$1,500 estimated costs for personal expenses in the total cost of attendance. Costs in excess of these amounts (for example, health insurance, fraternity/sorority fees, higher-cost residential halls/rooms, excursions and special programs, travel and transportation) will not be considered for gift aid resources but may be considered for additional loan eligibility. ** Students in certain programs and majors are assessed an additional \$910 fee (Engineering and Science fee, Arts and Sciences fee or Health fee).

The Lehigh Commitment

Reinforcing our dedication to enrolling talented students regardless of family income, Lehigh will provide a **full tuition grant** (the family will pay no tuition) for undergraduate students from families with a total income of less than \$75,000 (with typical assets).

*A complete financial aid application is required by the deadline to qualify
