College is where you discover
your authentic self—as a **student,**
leader and future maker.

Choosing the right place for that journey means everything. At Lehigh, our interdisciplinary approach pushes you to explore all your interests, blending deep learning with hands-on experiences. Collaboration is at the core of our community, anchored by faculty mentors who share your passions and pull for your success.

A university that really
gets you—and where
you want to go.

Uniquely Lehigh
opportunities align
your passions with
your purpose.

→ Intercollege Interdisciplinary Programs

The signature four-year programs listed below allow you to take courses in two colleges, preparing you to take on the most complex, fascinating challenges at the intersection of industries.

Computer Science and Business (CSB)

Integrated Business and Engineering (IBE)

Integrated Business and Health (IBH)

Integrated Degree in Engineering, Arts & Sciences (IDEAS)

We also offer a five-year **Arts and Engineering** program so you can pursue a dual degree in these distinct yet complementary areas.

→ Lehigh360

Lehigh360 connects you to nearly 50 programs where you can engage in open-ended projects. Whether you're developing your entrepreneurial mindset through LehighSiliconValley or joining the Rapidly Accelerated Research Experience (RARE), you'll be challenged to step outside your comfort zone.

→ United Nations Partnership

Visit the UN headquarters. Converse with ambassadors. Advocate as a UN Youth Representative. Our consultative status in the UN gives you unfiltered access to the global stage and an opportunity to use your voice for meaningful change. Since Lehigh earned its NGO accreditation in 2004, more than 25,000 community members have participated in this partnership.

→ Iacocca International Internship Program

Take your learning beyond the classroom and all the way to another country. In this fully funded global program, you get to focus on the immersive experience of living and working in a new culture. We help you navigate every step of the journey, from preparing for departure to translating your experience into career readiness.

→ The Explore Lehigh Program

If you can't decide on one thing to study, the first-semester Explore Lehigh program lets you sample different fields before committing to a path. You'll take a mix of integrative and college-specific courses across our four undergraduate colleges, all while gaining clarity on your true calling.

ACADEMICS at Lehigh

“Through Lehigh West, the Silicon Valley Social Impact Fellowship gave me the opportunity to do field work in San Francisco. It really built my confidence as a researcher. I met so many experts and was able to not just keep up, but add on.”

—ISABELLE WAKSMAN '27

Hometown: Yardley, PA

Major: Biology

Minor: Psychology

“Lehigh’s internationally engaged campus has refined my voice into one that is both principled and effective in driving real outcomes.”

—SOPHIE MALLEK '28

Hometown: Nashville, TN

Majors: International Relations,

French; Minor: Global Studies

A Campus Built for Real CONNECTIONS.

Candid moments and collaboration
create your Lehigh experience.

Mountaintop and Goodman Campuses

→ Over the Mountain and Through the Woods

Innovation and school spirit extend all the way across South Mountain. The Mountaintop campus district features industrial-scale workspaces designed for interdisciplinary research and hands-on creativity. Outside, you can enjoy movie nights, yoga, beautiful hiking trails and views for miles. The Goodman campus district is home to our 26 Division I athletics programs, as well as club and intramural sports and large events.

Residence Halls

↓ Your Home Away From Home

Your room is so much more than a place to sleep. It's where open doors lead to hours-long conversations, roommates become lifelong friends and business ideas are born. All first- and second-year students live on campus, so your neighbors will be just as ready to meet new people and find their place as you are.

Clayton University Center at Packer Hall

← The Heartbeat of Our Community

Renovated in 2025 to blend its 19th-century charm with state-of-the-art design, the Clayton UC is home to our advocacy centers, 200+ student clubs, collaborative study spots and diverse dining options. Just outside, the UC Front Lawn comes alive for the First-Year Rally, International Bazaar, Founder's Day and more.

The Makerspace at Wilbur Powerhouse

↑ Unleash Your Inner Creator

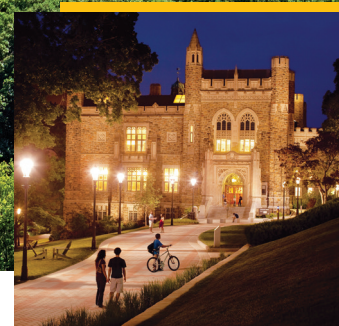

Anything you can envision, you can realize in the Powerhouse. This collaborative makerspace—with tools ranging from a waterjet and laser cutter to 3D printers and embroidery machines—belongs to every student, no matter your major.

Linderman Library

← A Study Spot That Inspires

Linderman Library is where you go to find focus, inspiration and your flow state under the iconic stained-glass rotunda. Beyond being a student-favorite study spot, Linderman houses more than 400,000 books, including the Bayer Galleria of Rare Books and the 24,000-volume Special Collections division.

Farrington Square

← The Gateway to the SouthSide

At the edge of campus, the Lehigh and the South Bethlehem communities blend seamlessly. Throughout the year, the Bethlehem Farmers Market brings produce, live music and homemade treats. You can also shop at the Lehigh Store for all your school spirit needs or enjoy The Cup, Johnny's Bagels & Deli and Pokemoto. Cross the street and discover all that SouthSide Bethlehem has to offer.

MEANINGFUL SUPPORT.

We surround you with the personalized guidance, support and connections that will help you build a path and a career that feels authentic to you.

PROVEN SUCCESS.

The Center for Career and Professional Development

Career success is an intentional path shaped from your very first year at Lehigh, and the Center for Career and Professional Development (CCPD) is with you every step of the way. You can meet with a career coach for advice on how to turn your passions into a future career, drop into career labs for résumé polishing and build confidence with mock interviews. From personalized preparation to direct connections with our global network of employers and alumni through career fairs and more, these essential resources are available to every student because we genuinely want you to succeed.

Alumni Spotlight Karina Chen '24

When Karina Chen '24 realized her calling wasn't just in writing code, but also incorporating the strategic and human side of technology, she pivoted from a computer science major to a business information systems major. Today, she is a technical program manager at Microsoft. Her story is proof that having the freedom, and support, to explore and change course at Lehigh is how you find what you really love.

 **Technical Program Manager, Microsoft;** Major: Business Information Systems

Alumni Spotlight Zemichael Gebeyehu '24

Zemichael Gebeyehu '24 credits Lehigh's strong approach to experiential learning both in and out of the classroom as key to the successful start of his engineering career. While on campus, Gebeyehu established and led the Lehigh University Space Initiative and participated in undergraduate research, exposing him to various design problems ranging from Mars rovers to underwater robots. This purposeful learning led him into a role as a robotics engineer at Apple.

 **Robotics Engineer, Apple**
Major: Mechanical Engineering

Faculty Mentorship

Lehigh faculty are researchers and educators—but they are also industry experts, research project partners and mentors. Whether you are ready to get involved in research, pondering a new direction or looking for an industry introduction, your professors are ready to pass down their knowledge and help you realize your own course.

Support for Academics and Beyond

As you adjust to college-level coursework and progress to more challenging subjects, our support centers support you. Through the Center for Academic Success and the Writing Center, you can join a Study Buddies group, work one-on-one with a peer tutor or collaborate with a graduate student on your writing—whatever fits your learning style.

Because growth is holistic, we also have resources for your overall well-being. Create your own bLUeprint for an authentic-to-you Lehigh experience. Join Camp Hawk to connect with peers on a Poconos trip. Start a new club with the help of the Office of Student Involvement. You'll have an entire community supporting your success.

LEHIGH
UNIVERSITY
Bethlehem, PA

A world of opportunity in a vibrant region.

Lehigh University calls South Bethlehem home.

Everything you could want in a college town is right here: dozens of restaurants, cultural hubs like the SteelStacks and our very own Zoellner Arts Center, the Forest Park hiking trails, festivals and so much more. Just across the Lehigh River is Historic Northside Bethlehem, boasting the #1 Best Main Street (named by *USA Today*) along with a UNESCO World Heritage Site.

90 min

NEW YORK CITY

75 min

PHILADELPHIA

Beyond Bethlehem

Our campus sits at a geographical sweet spot, right at the center of the Lehigh Valley. IronPigs baseball and Phantoms hockey games, Archer Music Hall, Dorney Park & Wildwater Kingdom, Allentown Art Museum—they're right in our backyard.

Outside the Valley, you are just a short drive from the thriving professional landscapes of New York City and Philadelphia, and the outdoor adventures of the Poconos and Jersey Shore. Wherever you want to go, you'll be easily connected.

The place where your story continues.

Visit us!

The best way to see if Lehigh is right for you is to experience it yourself. Whether you make the trip to Bethlehem or connect with us virtually, you'll get a feel for what it's really like to live and learn here. There are lots of ways for us to get to know each other better:

- General information sessions
- Student-guided campus tours
- College-specific sessions
- Optional interviews and special events

Financial Aid

Financial aid can have a significant impact on the total cost to attend Lehigh. To see how affordable Lehigh can be for you, try out the Net Price Calculator on our website. You'll also be able to find out more details on tuition, aid and affording college.

55% of current students receive some form of institutional grant or scholarship financial aid	26% of students admitted to the Class of 2029 were offered a merit scholarship	\$175M available in grants and scholarships
---	--	---

The Lehigh Commitment

We aim to make a transformative Lehigh education as accessible to as many students as possible. Lehigh provides a full tuition grant, scholarship or other tuition waiver for undergraduate students from families with a total income of less than \$75,000 (with typical assets), reinforcing our dedication to enrolling talented students regardless of family income.

How much will Lehigh cost?

These are the typical costs for the 2026–2027 academic year:

Tuition	\$69,420
Typical housing (first year)	\$11,470
Full meal plan	\$7,760
Mandatory fees	\$1,170
Total Cost	\$89,820

Common App and Coalition School

We accept both the Common Application and the Coalition Application. This gives you the opportunity to choose the format that is best suited to you and your story.
