

## TRANSFER ARTICULATION EQUIVALENCIES

SPRING 2015

Northampton Course Lehigh Course

### ACCOUNTING

ACCT 101 & 151 (3, 3) Students who plan to major in Accounting are encouraged to complete both Introduction to Financial Accounting and Introduction to Managerial Accounting (ACCT 151, 152) at Lehigh University. Students who complete the equivalent introductory courses at Northampton Community College are required to submit all related course materials (syllabus, textbook listing, etc.) to the Department of Accounting at Lehigh University in order to complete a review for possible transfer of credit.

Art & Architecture – Biggest drawback – NCC courses are 3 credits and Lehigh courses are 4 credits. Students who transfer to Lehigh desiring a major in Architecture, Art or Design will be short credits which must be made up in the major when they get to Lehigh.
