

## Blackboard Course Cleanup for Your Spring 2006 Courses

for User ID: rjd0

Listed below is the **current** status of your Spring 2006 Blackboard courses.

- If the status of a course in the **Current Status** column is: *Will be deleted*, the course will be removed from the system on or after February 26, 2007.
- If the status of a course is: *Will be kept*, the course will not be removed from the system at this time.

Course ID	Course Name	Current Status	Change Status
CHM-095-00-SP06	Chemical Principles (SP06)	<i>Will be deleted</i>	<a href="#">Keep Course</a>

- If you want to change the current status of a course, click on the requested action (either **Keep Course**, or **Delete Course**) for the course in the **Change Status** column. You can change the current status of any of your courses any number of times up until February 26, 2007.
- If there are multiple instructors listed for your course within Blackboard, **any Instructor** may request that the course be retained or deleted.
- For more information, contact your Instructional Technology Consultant. ([Contact Info](#))
- Please consider saving a copy of your course for your records, several options are described in the referring email message. For assistance with exporting, contact your IT Consultant, or ([Click Here](#))
